

Legends OF THE Fly TOURNAMENT

Join Legends of the Fly for its 6th Annual Legends of the Fly Tournament featuring a slam format with the target species of Speckled Trout, Red Drum and Striped Bass. Bluefish will be the wildcard species if no one catches as slam. We will have divisions for largest Speckled Trout, largest Red Drum and largest Striped Bass.

LEGENDS OF THE FLY

Legends of the Fly, was conceived in 2013, as a way to raise awareness about fly fishing in Virginia, to increase participation in the sport, celebrate our fly fishing culture, and motivate our tribe to have fun while making a lasting and positive impact on the fishery and community. We strive to strengthen the catch and release ethic to support fishery conservation. In addition, Legends of the Fly (LOF) is designed to raise funds for charities that have real social and environmental value. Since 2013, we have raised over \$100,000 to charities that share these values; Project Healing Waters Fly Fishing, SEALKIDS, Lynnhaven River Now, Elizabeth River Project, and Release over 20.
